## FREEDOM ROCK

Here's one of the greatest collections of rock hits that played such an influential role in one of our country's most controversial eras.

THE BYRDS: Turn, Turn, Turn (To Everything There Is A Season) TEN YEARS AFTER: I'd Love To Change The World JETHRO TULL: Locomotive Breath JOAN BAEZ: The Night They Drove Old Dixie Down EDWIN STARR: War SANTANA: Black Magic Woman NILSSON: Jump Into The Fire DEEP PURPLE: Smoke On The Water OTIS REDDING: (Sittin' On) The Dock Of The Bay THE BROTHERHOOD OF MAN: United We Stand JEFFERSON AIRPLANE: Somebody To Love CANNED HEAT: Going Up The Country FRIEND AND LOVER: Reach Out Of The Darkness AMERICA: A Horse With No Name LYNYRD SKYNYRD: Free Bird THE ALLMAN BROTHERS: Ramblin' Man THE GUESS WHO: Share The Land ELTON JOHN: Friends...and many more.

All song selections on this album were produced from the original master tapes supplied by the appropriate record companies as indicated. All Sessions® albums are manufactured with the same quality materials and facilities utilized by the major record companies. Occasionally, albums may contain song selections produced from master tapes up to forty-five years old. Therefore, allowances should be made for the difference in sound quality for these older selections as compared to more recent recordings. In rare instances, when an original master tape is lost or destroyed, the licensing record company may supply another tape which is produced from the best source available. Even though the quality may not always be equal to the original master tape, Sessions® management may still elect to include these songs. We feel that the vast majority of collectors would rather have these treasured recordings as a part of their collections, irrespective of the occasional lack of quality, than never to have them at all.
