All song selections on this package were produced from the original master tapes supplied by the record companies listed. Mystic Music manufactures product in the same facilities with the same materials as the major record companies. Occasionally, albums contain songs produced from master tapes up to 45 years old. Allowances should be made for the quality of these older selections. On occasion, a record company may lose or accidentally destroy an original master tape. On these occasions, Mystic Music may decide to use a tape supplied from the best source available. We have found that the overwhelming majority of collectors would rather have these treasured recordings in their collections, even though quality may be lacking, than never have them at all.

To order copies of "RED HOT", "COOL ROCK" or "SWEET LOVE ". 2 cassette tapes, send \$19.95, or 2 compact discs, send \$24.95, plus \$4.95 shipping and handling to: MYSTIC MUSIC, P.O. Box 50003, Colorado Springs, CO 80949.
